

ELECTRICAL SAFETY SELF LAMINATING LABELS

A range of self laminating labels for electrical testing application printed on white vinyl with a clear polyester laminate. Size 38mm x 16mm, other sizes by request.

DO YOU HAVE THIS PROBLEM?

PROBLEM SOLVED

Add your information to the custom printed label with a ball point pen, remove the lining paper from the self-adhesive clear overlay, press the clear laminating material over the label to protect your information.
